Windows
- from 8.1

WiFi configuration

Operational on all UMLP locations and in all french universities.

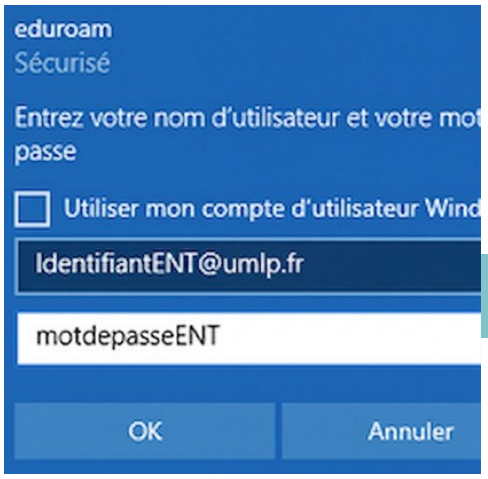

Depending on your device the following illustrations can vary, reach out to the reception for support.

STEP 1

Select the WiFi network **eduroam** on the list.

STEP 2

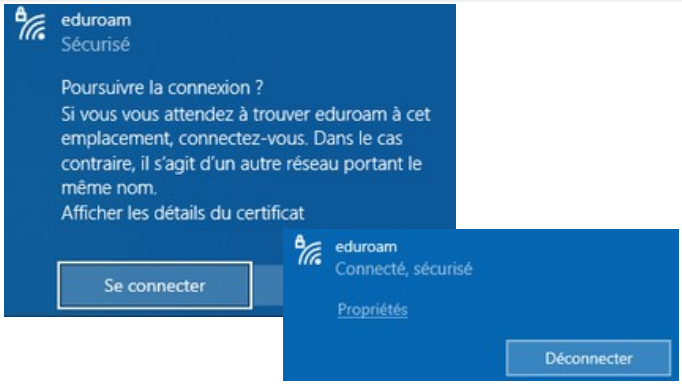

Type the login **Sesame (ENT)** followed by @umlp.fr

Example : jdurant**@umlp.fr**

ATTENTION : this is not the academic email adress !

The password is the same as the **Sesame (ENT)** account.

STEP 3

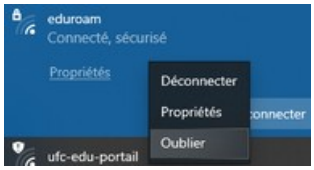

A warning message appears.

Click on **connect**.

IT'S OVER !

IN CASE OF FAILURE TO CONNECT

Right click on **eduroam**, then click on **forget**.

Redo the entire procedure.
